

## BETTIE JULIUS LIBRARY – MONTE BERTHA

### PORTERVILLE

The library was established in 1990 and was at first known as the Monte Bertha Library. The name was changed in 2005 to the Miss Bettie Julius Library when it was named after a teacher, the late Miss Bettie Julius.

The library renders an information service to the community. Library material includes books, CD's DVD's, magazines, sound cassettes and videos. There are also special programs for the elderly and for children. A story hour is held once a month.

Holiday programs are also presented. During library week programs are launched to market the library and to recruit members. There are approximately 2500 members and our circulation is approximately 3 000 book material per material.
