IMPORTANT NOTES

Bidders must provide pictures of the proposed units for evaluation purposes. At delivery the units must substantially confirm to these pictures. Also, bidders must submit pricing for everything listed, failing which will render a bid non-responsive. This is important, since the evaluation will be done on the total bid price. Also, the award will not be split, but if the bid is awarded, subject to the municipality's right not to award this bid, it will be awarded to a single bidder.
